HERE IS OUR HANDY CHECKLIST TO GET SHOW READY

1. Set up your show area, seats and circus decorations. Remember your circus bunting!
2. What is your show called and how will you introduce the show to your audience?
3. What will you perform, and have you practised so you know what you will be doing?
4. What costumes will you wear and have you done your make up?
5. Have you got music and something to play it on?

**If you have followed steps 1-5, then you are now show ready!  
Go out and enjoy your performance!**

Extra ideas that you can try

1. Can you design and make show tickets for your audience? Tickets usually have a section that the circus keeps to count the number of people at the show, and a part that the audience member keeps as a memento.
2. Can you make a show programme for your audience? This is a page or booklet that explains what the show is about, and who the cast are, and what they are performing. It also thanks people who have helped you to put on your show.
3. Can you make circus snacks for your audience? You could make striped boxes for popcorn, you could make star shaped biscuits, you could even make a big cake that looks like a circus tent!
