

CREATE YOUR OWN CIRCUS!

WHAT WOULD YOU CALL YOUR CIRCUS?

Why not have a look on the internet and see what other circus groups are called. Do you recognise any of the names?

When you think of circus, what feelings do you get? What do you find exciting about the circus?

We are called Adventure Circus because we believe that being part of the circus is an unusual, exciting and daring experience, which can be shortened to, an adventure!

WHAT WOULD YOUR CIRCUS LOGO LOOK LIKE?

The Adventure Circus logo is at the top of this page.

We chose this logo because we like star symbols, which generally represent something good and positive.

What words, shapes, colours and symbols would you use to create a circus logo? Draw some ideas and choose your favourite. You could then choose an old t-shirt, and use pens to draw your logo really big onto the back (put something in between the t-shirt so your design only goes on one side of the t-shirt!)

IMPORTANT! Remember to ask permission before you do this.

CIRCUS TENT (BIG TOP) DESIGN

Do you know why circus performers use tents to perform in? Have a look on the internet and see what you can find.

Circus tents come in a range of colours and styles, and are big structures! They have a backstage, a ring for performing, lots of height for flying acrobatics, lots and lots of seats, and stalls for selling food and drinks to the audience.

Have a go at designing your own circus tent. You can colour in our circus tent template here, or you can design and draw your own tent!
